### **E-Learning**

During this time out of school it is important for our children to keep as much as a routine as possible. Part of that is to continue to learn. Each school is sending out E-learning packets/lessons to be done. If you do not have internet access, call your cell phone carrier regarding free hot spot use or free wifi.

If you are seeking assistance in teaching the lessons to your child(ren) you can call your school admin office for tutorial referrals. Many teachers are also posting on Facebook that they are very willing to help.

### **Internet**

**Cox2Compete** During this time of uncertainty and required in-home learning. Cox is helping families in need get connected to the Internet through Connect2Compete, a low-cost internet product for families with school-aged children who are enrolled in low-income assistance programs.
